QUOTE SUMMARY

Zip Delivery ENGIE Quote

Joseph, this one-pager shows your actual offer and the account facts that support it.

6.682¢ / KWH

36 MONTHS FIXED ALL-IN

OFFER STRUCTURE

Joseph, your 36-month fixed zone quote is 6.682¢ / kWh.

This is your fully fixed all-in zone offer, not a hub structure, so there are no added nodal congestion charges. The agreement also carries a $0 termination fee if you no longer occupy the facility.

Your contract starts December 1, 2026. Your current term ends November 30, 2026.

WHAT THIS MEANS FOR YOU

- **Fully fixed** means your rate stays the same for the full term.
- **100% swing** means usage changes do not change your rate.
- **Blend and extend** means if market pricing drops later, we can move you to the lower rate.
- You still keep the **$0 termination fee** if you leave the facility.
